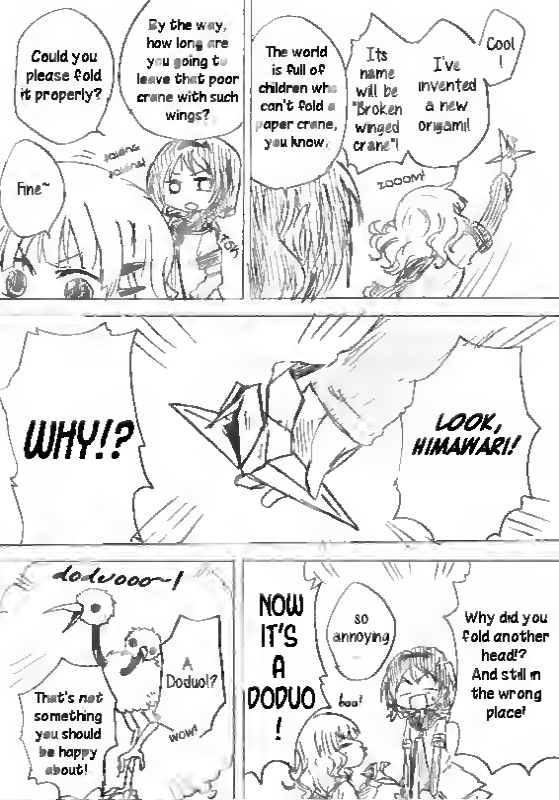
.....
What's with the "I've made the greatest invention of the century" expression!?
Oh oooh!
sparkle
That's a crane with broken wings!
Are you stupid? You've folded the wrong place for its neck!
Something is off...
AH!



Could you please fold it properly?
By the way, how long are you going to leave that poor crane with such wings?
Fine~

The world is full of children who can't fold a paper crane, you know.
Its name will be "Broken winged crane"!

Ah! Don't make fool of my Doduo!

A Doduo doesn't have such great wings!

Fine, would you now please fold a real paper crane?

There you go again with your nonsense

Is that even a Doduo ?

DODRIO HAS THREE AS WELL! BUT YOU PROBABLY HAVE NEVER MANAGED TO EVOLVE ONE!

HOW COULD A BIRD TRANSFORM INTO CERBERUS, A DOG!?

Enough with the jokes, let's get serious now.

Right.

Leave this to me, Himawari-kun.

Fold a paper crane, will you?

Jealous patience.

Maybe I'll become a designer of Cerberus origami! Show me some respect!

Amazing, Himawari!

Let's take some notes anyway.

Don't worry, you won't.

As expected of Himawari
I should've asked you to fold it from the beginning
